Gourmet Taco Catering

"WE COME TO YOU"

We specialize in serving large groups of hot off the grill meals with no waiting in line. After your guests get their entrée from the grill, they choose their own salsas and side orders. Whether it be barbacoa, chicken, al carbon, or al pastor all our items are "homemade" for your group. If you choose Baja fish tacos we will bring a fryer to your event and cook the fish right, there. We serve ten different varieties of tacos all with unique flavors.

Different than other caterers who specialize

in tacos and other Mexican entrees, International Tacos can provide a full buffet to surround whatever entrees you choose.

Just look at our International Planner and you can see all the items we serve. Our items are all made fresh the day of your event.

We carry a two-million-dollar liability policy, all our servers and cooks are uniformed and professional. Since most of our events are corporate we are familiar with working at office buildings, parks and other sites.
